Protective Mask

**Special Instructions:** the nose clip should be unfolded fully before wearing, and closely fit with the face without gaps.

**Scope of application:** used for daily protection, to block body fluids, blood splashes or splashes.

**Matters needing attention:**

1. Do not change or cut the product without permission.
2. Check the integrity of the package before use; and do not use the damaged package.

**Instructions:**

When using, unpack and take out disposable mask for direct use.

**Service life:** three years
